## ALMA NEWS DECEMBER 2022

### HAPPY WINTER SOLSTICE (DONGZHI) FESTIVAL

The Winter Solstice Festival, or Dongzhi (冬至), is a festival celebrated in East Asia (including in China, Taiwan, Hong Kong, Japan, Korea and Vietnam) and observed by people of East Asian heritage across the world. This year, the Dongzhi Festival falls on Thursday 22 December. Traditionally, it is a time for families to get together. In southern China, people typically eat tangyuan, a dessert made of glutinous rice shaped into a ball that is served in a hot broth or syrup. Many believe eating tangyuan symbolises growing one year older. In northern parts of China, families will eat dumplings.

In Australia, although we are now in summer, many families of Chinese or East Asian heritage still celebrate the Winter Solstice Festival.

### YEAR OF THE RABBIT

Chinese New Year (Lunar New Year) is only a few weeks away. It is the most important festival of the year for every Chinese. It also marks the transition between zodiac signs. We will be sending off the Tiger and welcome the Rabbit as the new year animal on Sunday 22 January 2023.

### CHRISTMAS APPEAL

The Chinese Australian Early Australian Centre (CAECC) is now collecting donations of foods (non-perishable) and gifts to help Communities at Work complete their Christmas Hampers. We will be collecting donations from 29 November to 15 December and will drop off the donations at Tuggeranong Community Centre on 16 December.

Please find a list of suggested items at the Communities at Work website <https://www.commsatwork.org/get-involved/christmas/> or download the poster [here](#). Your donation will help make a meaningful difference to people in need, knowing they will have food on their tables at Christmas.

### CHINESE AUSTRALIAN EARLY CHILDHOOD CENTRE

The end of year is approaching rapidly, this means our children and educators were busy rehearsing for our End of the Year concert. They performed so well at the concert, they were so proud and I'm sure their parents were too.

It will be sad to see some of our children going off to primary school next year, some of these children have been with us since they were babies, those children graduating from our Centre are:

*Veeraj Chaudhary, Ava Foster, Mattias Hatala, Max Henschke, Mathew Hu, Brooklyn Igama, Ellie Liu, Eleanor Mayer, Dylan McDonald, Isabela Millis-Field, Henderson Pang, Allen Row, Eureka Wong and Fletcher Zhu.*

We have been so grateful to have the children and their families at the CAECC we will miss them.

This year we added a music to our program with Zen Music coming to our Centre on Mondays. We also have had several incursions from our first nations people and other members of our community.

This year our special guest attending the concert was Johnathan Davis MLA, member for Brindabella and ACT Greens Spokesperson for Education. We would like to thank him for being able to spend some of his valuable time to come and see our children perform.

I would like to thank Jingjing Liu our Assistant director for supporting me in 2022, all of our educators who work continuously so hard to ensure a high quality education and care for our enrolled children.

We have been fortunate enough this year to have a good utilisation rate, thanks to our Centre families who we are so grateful for as they continue to support our Centre.

## ALMA ACTIVITIES

### **Mandarin Community Tutoring Project**

This project coordinated by ALMA introduces adult learners of Mandarin in the ACT area to fluent speakers of the language who have volunteered to share their knowledge of Chinese language and culture. In return, the Mandarin speakers make more local contacts and friends, practice their English skills, and learn more about teaching Mandarin. Tutors and learners make their own arrangements to meet, usually for one or two hours a week on a one-to-one basis.

For more information about the project and how to get involved, as either a tutor or a learner, visit the [Mandarin Community Tutoring page](#) on the ALMA website.

### **Mandarin radio program on community radio 2XX**

This weekly program is presented bilingually by Mandy from ALMA and Xiaohui from the ACT Chinese Australian Association. A major aim is to promote the use and learning of Mandarin in the ACT area, especially among young families.

Each week we read a short story in Mandarin and talk about the vocabulary and meaning in both Chinese and English. We also play fun children's songs, share Chinese music and discuss local news. In addition, we welcome recordings from listeners, especially children - singing a song or reading a short story or poem in Mandarin for inclusion in the program. Hearing themselves on the radio is a great way to encourage children to speak and practice the Mandarin they are learning at home, preschool or school. Just send the recording (MP3 preferred), with a transcript if possible, to [canberraalma@gmail.com](mailto:canberraalma@gmail.com).

To hear the program, tune in to Radio 2XX on 98.3 FM every Friday evening from 7pm to 7.30pm or listen online at <https://www.2xxfm.org.au/shows/mandarin/>. You can also hear previous programs through the 'On Demand' link at the same web address.

ALMA gratefully acknowledges the support of community radio 2XX and the Community Broadcasting Foundation for helping us to produce and present this weekly Mandarin language program.
